Parental involvement is vital. A child who is told someone has confidence in him or she will tend to act accordingly. Praise, compliment, and encourage your child in order to build character.

At the start of the school year, a Parent-Teacher Orientation is held for new students. It is an opportunity for parents to learn more about the school and meet with their child’s teacher. Parents should participate and attend every Parent-Teacher Conference. Parent-Teacher Conferences can be scheduled on Wednesday or Friday. Parents should contact the office for an appointment.

If your child is participating in the afternoon Extended Day Program, TKCA strongly recommend that students bring an extra snack. Parent/ Guardian whose child is in the extended day program must sign out their child. Students are welcome to bring board games to use **only** in the Extended Day Program. **(We are not responsible for any damage, lost, or broken electronic devices)**. McKay students: Please contact School office for further information

Non-McKay students: Please contact school office for further information and pricing.

What will my child study?

Student will receive extra help in the areas in which they struggle academically. The school and the tutoring provider will establish goals for each student.

Tutoring provider is required to fill out a form to inform you of your child’s progress. Parents must sign each form.

The tutor is responsible for getting the child to tutoring services. The parent/guardian is responsible for picking up the child at the end of the tutoring session.

Reenrollment

All previous students must be reenrolled every new school year. Parent/Guardian must reenroll the student for the next grade level before the next level's curriculum package may be ordered.

Student Withdrawal:

All parents desiring to withdraw their child must submit a request in writing. If a parent withdraws their child prior to the start of the school year, 75% of the first month paid tuition will be refunded. However, if a parent withdraws their child during the school year, they must complete a withdrawal form and the monthly tuition **will not** be refunded.

ATTENDANCE POLICY**Absences:**

In case of absence, the day the student returns to school, the parent should send a dated and signed parental note or doctor's note explaining the reason for the absence (Florida State Law 232.10). If foreseeable, a note should be sent in advance. Students absent more than ten (10) days per semester or twenty (20) days per school year will be required to make up time missed. The total of 10 days per semester or 20 days per school year will include both doctor and parental note.

Excused:

Excused absences may include one day or group of days. It is the student's responsibility to contact the teacher about missed work. Assignments equal to the number of days for the trip must be gathered in advance, completed and turned in the first day of school after returning from the approved trip.

All missed work should be turned in within 2 days of the student's return to class. The following reasons for excused absences are:

- Illness of the student
- Medical Appointment
- Death in the family
- Family, church, and educational trips when approved in advance to the school office.

Unexcused:

An unexcused absence hinders the student's academic progress.

- Neglecting to prearrange a foreseeable absence (Prearranged means three business days' notice in advance).
- All non-emergency absences for the convenience of the parent or student.

Tardiness:

A student is considered tardy if he/she is not in the Learning Center by 8:30 a.m. If student is tardy three times, it will equal **one absence**. The only tardy with no penalties are ones accompanied by a doctor's note. Excessive tardiness will require a parent conference with the Administration which could result in probation, suspension, or expulsion.

Visitors: If you need to pick up a student, you must sign your name and time of arrival and show proper I.D.

STANDARD OF CONDUCT

Discipline:

We believe that all things should be done in order and that our students should be taught to accept responsibility. Here, discipline is firm, consistent, fair, and tempered with love. Therefore, kindness, love, and a genuine regard for the student, is our staff's standard of behavior in the Learning Center. However, when disciplinary action becomes necessary, it is firmly imposed, tempered by good judgment and understanding.

Students must adhere to the following discipline guidelines at all times:

- 1) Respect all faculty members. Insubordination to authority will not be tolerated.
- 2) Respect classmates. All students should keep their hands "off other students". *Keep hands to yourself.*
- 3) Use language that pleases God. The use of offensive and foul language is not permitted.
- 4) Be honest with your class work. No cheating or stealing.
- 5) Listen the first time.
- 6) No talking without permission. Student must raise their flag (Christian or American) or hand before speaking.
- 7) Leave seat only with teacher's permission. Student must raise their flag (Christian or American) or hand before getting out of their seat.

When a student's attitude or behavior is not in accord with the school's discipline guidelines, the teacher follows a *Three Step Behavior Policy* when handling discipline issues in the learning center.

FIRST STEP: If student is misbehaving, teacher will set student aside and remind them of the rules. Student will sign a Student Contract Form promising to change behavior.

SECOND STEP: If the first step wasn't successful, teacher will send a letter home explaining behavior to parent/guardian.

THIRD STEP: If the second step wasn't successful, teacher will arrange a conference with parent/guardian. Hopefully, this will help change the child's conduct.

FINAL STEP: Once the teacher has used the *Three Step Behavior Policies*, then administration will be handling behavior.

Administration will only give three (3) opportunities for behavior to be corrected. The following are the three methods of correction by the administration.

Detention: Administration will set up a detention day. On that day, student will stay one hour after school in detention. While in detention student will write about how he/she can change their behavior.

Probation: Student placed in Behavioral probation will not be allowed to participate in any school-sponsored activities for the following nine-week period. School sponsored activities include field trips, special event activity (look at school calendar for activities provided) and Fun Friday activities.

Suspension: Parent/Guardian of student who has been suspended from school is urged to cooperate with the school in making this correction period beneficial to both the student and the school. It is not to be a vacation. Student must finish all the required class works at home for the three days missed due to suspension. **If student's behavior does not improve after the third disciplinary action, then student will most likely be eligible for expulsion.**

Expulsion: When all the above methods of correction have been used, then the last step will be expulsion. After suspension, if student shows no significant progress in the behavior, then administration will resort to expulsion.

TKCA does abide by the zero tolerance policy regarding violent behavior. TKCA considers violent behavior when a student strikes another classmate or any faculty member and the use of foul language to any classmate or faculty member. The results of violent behavior will be an immediate expulsion regardless if student previous behavior was good.

If your child comes home complaining about a policy or disciplinary action, please realize that the school has reasons for all rules and that they are enforced without partiality. Support the administration, give the staff the benefit of the doubt and contact the school for all of the facts.

ACADEMIC STANDARD CURRICULUM

Curriculum: We utilize the Accelerated Christian Education and resources from Houghton Mifflin and other curriculum.

1. The ACE model adapts to the learning speed of your child. This allows your child to progress independently. This is unlike the "public school model" where the group is lock-stepped regardless of the student's academic abilities.
2. The students learn through setting daily goals and are challenged by marking their achievement. This allows your child to visualize and plan daily progress, thus establishing a lifetime appreciation for goal setting and achievement.
3. The Biblical value of excellence in all things we do is translated into mastering subject content. This is the foundation upon which all future learning is built. Students must master a minimum of 80% of the material to advance. The curriculum contains not only excellent academic material, but is also filled with instruction in the application of godly character traits to everyday life. Scripture is used throughout each and every workbook. For more information on our curriculum, go to the ACE ministries web site (www.aceministries.com).

Chapel:

All students praise and worship on Wednesday mornings for 25 minutes through sermons. Students identify with Bible principles. Parents are welcome to come. Please see school office for the times and hours of your child's services.

Homework

Students who have not completed their goals by the end of the day will have a Homework Assignment slip. A parent/guardian sign the form to certify he/she is aware of the homework. This signature does not necessarily verify accuracy or completion of the work; that is ultimately the student's responsibility. However, parents should allow time for student to complete homework during the evening.

Grading scale: The school's grading system is designed to give parents a true indication of the student's progress or lack thereof. Kindergarten and Grade 1 receive no letter grade.

A = (100-90) Excellent progress	F = (59- below) Unacceptable progress
B = (89-80) Good progress	S= Satisfactory
C = (79-70) Average progress	N= Needs Improvement
D= (69-60) Minimum progress	U= Unsatisfactory

Reporting Student Progress

(Refer to School Calendar for dates when progress report and report card are distributed.)

Thinkwave account-

All students grades, notes and attendance are put in on a daily basis into your child/children Thinkwave account.

Progress Reports are sent home with your child. It is the student's responsibility to share this information with you. If students are absent on the day of Progress Reports, they may ask for one on the day of their return.

Report Cards are issued within a week of the end of the grading period. If you have not seen your student's report card within one week of the end of the 9-week period, feel free to contact the office for a copy. The final Report cards are mailed at the end of the school year as determined by the official school calendar.

Stanford 10 / OLSAT 8 Test

All students are tested each year during the fourth quarter; the cost of the test is \$50.00 per student. If you have the Step up for Student and the Mckay Scholarships you do not have to pay the fee. If you are self-pay you are require to pay the fee.

This test is required by the Florida Department of Education and replaces the FCAT in our school. The test results are placed in your child's permanent school records. **It's a mandatory test for all Scholarship funded student.**

Policy Statement: Placement, Promotion, Retention

Placement, promotion, or retention decisions shall be made in the best interests of the student after a careful evaluation of the student's performance. Consideration will be given to the effects of the placement decision on the student's long-term progress in the educational program.

The school director shall use the expertise of other professional personnel, as appropriate, and shall include the parents in conferencing about the status of the student's placement. For a student with an Individual Education Plan (IEP), the IEP plan will determine the standards by which the student will be evaluated regarding placement, promotion and/or retention.

Field Trips

Field trips are an extension of the classroom and provide direct community experience to achieve learning goals. Students will participate in field trips during the school year. Parents will be notified in writing of any field trips. Parents must sign the Field Trip Permission Slip for the student to be able to participate. Students without field trip permission slip will not participate. Transportation for field trips will be by the school bus.
